

# **RIBBLE MODEL BOAT CLUB**

**MAY  
NEWSLETTER 2010**

## **REGATTA**

**Saturday 15th May**

**10am to 4pm**

This is our major event of the year, so please try to support us by bringing models to display, by sailing and by helping. There will be a 'trading post' and refreshments will be available in the Priory Club.

We need lots of help in setting up from 8am, so do come along early, don't just leave it to the hardworking committee.

We would be very grateful for any prizes for the tombola. These can be brought to the next meeting or on the day.

Boats of any description will be welcome. The new harbour will be available. The parade of members boats for the Jerry Pickles Trophy will take place at 1pm. Sign up for this on arrival to get your chosen frequency.

**Whether you are in the club building or at the pondside - YOU MUST NOT SWITCH ON ANY TRANSMITTER (EVEN FOR JUST TESTING) UNLESS YOU HAVE THE MATCHING 'PEG'!**

**May 10th Tug talk by Dave Morris**

**June 14th Barbecue night at the pond**  
Please make sure that you buy tickets in advance!

**July 12th Technical talk by Phil Scales**  
He's still thinking about it!

**August 9th Pond Sailing Night**  
Meet at the pond from 6pm.

**Sept 13th Film night and Bring & Buy**

**October 11th Bring a model night**

**Nov 8th To be decided**

**Dec 13th A.G.M**
